

- Elektrostatisch pulverbeschichteter Metallreflektor
- Polycarbonat-Körper
- Befestigungsclips aus Polycarbonat oder Edelstahl
- gestärkter Polycarbonat-Diffusor opal
- funktional für Korridore

Farbe: grau

- Electrostatic powder coated metal reflector
- Polycarbonate body
- Polycarbonate or stainless steel mounting clips
- Strengthened opaque polycarbonate diffuser
- Corridor functional featured

Color: Grey

• Leuchtet zu 100% solange eine Bewegung erkannt wird. Eine vorbestimmte Zeit nachdem die Bewegung stoppt schaltet die Leuchte sich selbst in den Ruhemodus.

• It illuminates at 100%, as long as a motion is dedected. After the motion is stopped, following a pre-determined time, the luminaire switches itself to stand-by mode.

LED

## Standard Version

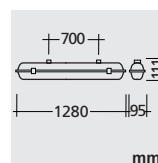

|            |       |     |       |         |
